

VTM NSS COLLEGE, DHANUVACHAPURAM

FEEDBACK REPORT 2021-2022

The Internal Quality Assurance Cell has developed feedback mechanism for the institution with the aim of introducing timely changes and betterment to the academic, non-academic and infrastructural aspects of the college. In order to ensure an enhanced learning experience to students, constant feedbacks are collected from the stakeholders. Three stake holders contributing to our feedback process are

1. Final year UG/PG students- student feedback on the institution.
2. Parents- Parent feedback on the institution.
3. Alumni- Alumni feedback on the institution.

During the academic year 2021-2022, feedbacks were collected online using google forms. Comprehensive results are arrived at by using statistical tools and data representations are done through graphical diagrams.

As apt of collecting feedbacks from students seventeen variables were given in the google form to mark their opinion. They were

1. Effective curriculum delivery
2. Effective handling of online classes
3. Method of conducting internal examinations.
4. Fairness in awarding internal marks
5. Mode of conducting online classes.
6. Availability of faculty members to redress the concerns of both students and parents
7. Efficiency in conducting regular tutorial meetings
8. General discipline within the campus
9. Initiatives of the career counselling and placement cells
10. Infrastructure and lab facilities of the institution
11. Library facility of the institution
12. Rest room facility
13. Internet facilities in the campus
14. Assurance of safety within the campus
15. Sports facilities
16. Promoting college cultural activities

17. Comfort level of students belonging to all communities.

Parent feedback on sixteen variables were collected. They were

1. Effective curriculum delivery
2. Effective handling of online classes
3. Method of conducting internal examinations.
4. Fairness in awarding internal marks
5. Availability of study materials.
6. Availability of faculty members to redress the concerns of both students and parents
7. Efficiency in conducting regular tutorial meetings
8. General discipline within the campus
9. Initiatives of the career counselling and placement cells
10. Infrastructure and lab facilities of the institution.
11. Rest room facility
12. Internet facilities in the campus
13. Assurance of safety within the campus
14. Sports facilities
15. Promoting college cultural activities
16. Comfort level of students belonging to all communities.

In alumni feedback a total of nine parameters were given. They were

1. How do you rate the Programme studied at the Undergraduate or Postgraduate level?
2. How do you rate the Infra-structural facilities?
3. How do you rate the laboratory and library facilities
4. Teaching faculties.
5. Non-teaching faculties/office staff.
6. Canteen facilities
7. Internet facilities.
8. Administrative/ office procedures
9. Your overall rating.

A comprehensive study of the responses were done by the Feedback committee. Using scientific analytical methods the collected data is analysed and made into a detailed report. The same is submitted to the IQAC which in turn is submitted for the perusal of the Principal and the college council. Necessary areas were analysed and corrective actions were taken.

STUDENT FEEDBACK ON THE INSTITUTION

Student feedback is very important for an institution as it can help the system understand the areas needed to be taken care of for ensuring an enhanced learning experience. Being the primary beneficiary, feedback from students can help the institution understand better the lag areas of the college. To ensure the holistic development of students their feedback is very essential. During the academic year 2021-22, student feedback on institution was collected from the final year degree students through online mode.

As per the analysis of their responses it is found out that 62% of the students are satisfied with the method of conducting internal exams in the college. 62% students rated the process as excellent. While 55% of student rated the comfort level of students belonging to all community as excellent, only 4% students rated the same poor. 53% of students rated excellently the assurance of safety, general discipline and availability of sports facilities in the campus. 54% students marked excellent rating for the availability of teachers for addressing their concerns. As per the feedback 72% of students opined that the infrastructure and lab facilities of the college are poor.

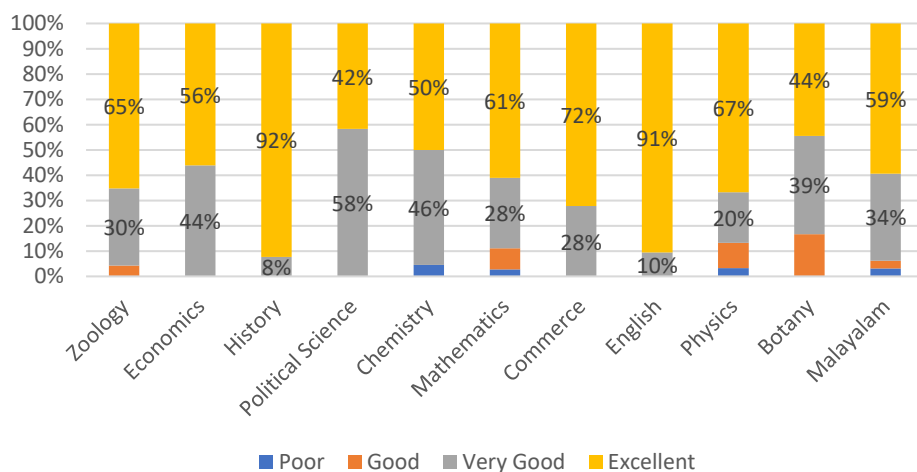

Effective curriculum delivery

Effective handling of online classes

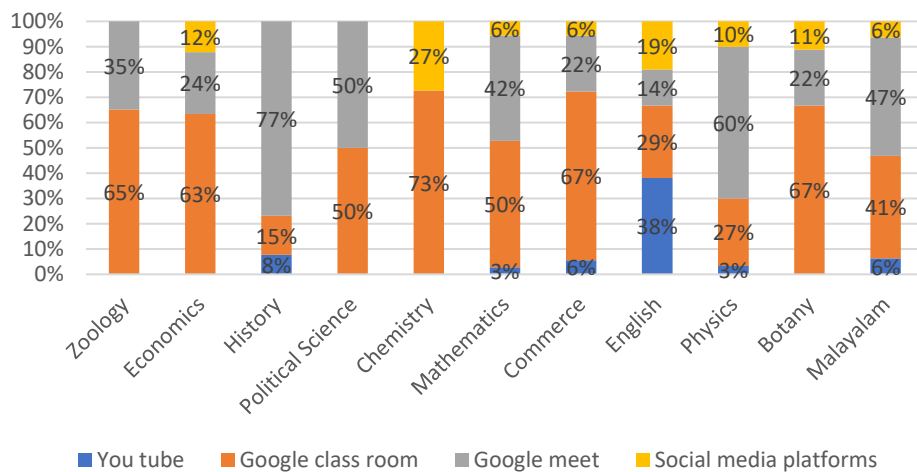

Method of conducting internal examination

Fairness in awarding internal marks

Mode of conducting online classes

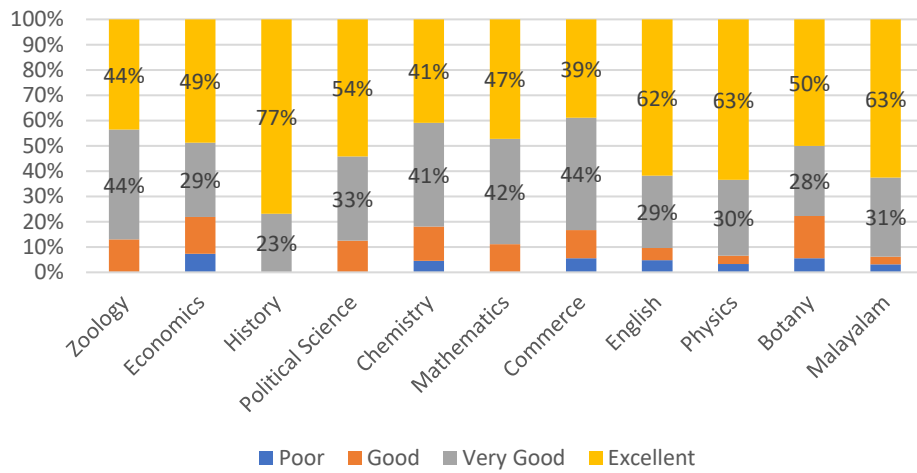

Availability of faculty members to redress the concerns of both students and parents

Efficiency in conducting regular tutorial meetings

General discipline within the campus

Initiatives of the Career counselling and placement cell

Library facilities of the institution

Rest room facilities

Internet facilities in the campus

Assurance of safety within the campus

Sports facilities

Promoting college cultural activities

Comfort level of students belonging to all communities

Infrastructure and lab facilities of the institution

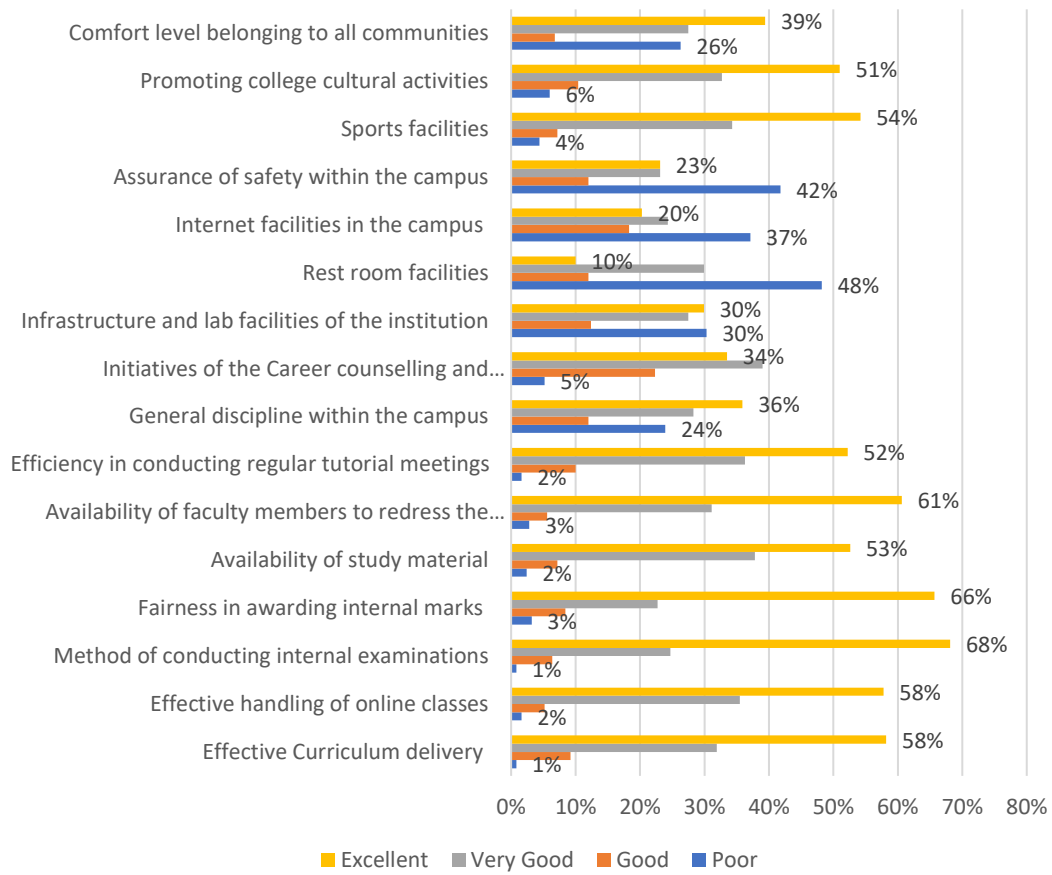

PARENT FEEDBACK ON INSTITUTION

Parents being an important stakeholder for an educational institution, are always included in the feedback process of the college for the institution holds a strong conviction about the role played by parents in the development of the institution. Thus feedbacks are collected from parents of the final year UG/PG students as the institution finds it as a means to

1. Provide them with a platform to openly mark their opinion on the negatives and positives of the institution.
2. To ensure their participation in the development of the college.
3. To systematically analyse the lag areas of the college.
4. To get deeper to the expectation of the parents regarding an education institution in general and about our institution in particular.
5. To develop a proper working policy for the institution.

As per an analysis of the feedback given by parents 68% of parents rate the mode of conducting internal exams as excellent while 66% rates high the fairness maintained by the institution in awarding internal marks. 61% of the parents gave an excellent rating to the availability of faculty to redress the concerns of students. 48% of parents rated poor the rest room facilities of the college and 42% of parents rated poor the assurance of safety within the campus.

Chart Title

Effective curriculum delivery

Effective handling of online classes

Method of conducting internal examinations

Fairness in awarding internal marks

Availability of study material

Availability of faculty members to redress the concerns of both students and parents

Efficiency in conducting regular tutorial meetings

General discipline within the campus

Initiatives of the Career counselling and placement cell

Infrastructure and lab facilities of the institution

Rest room facilities

Internet facilities in the campus

Assurance of safety within the campus

Sports facilities

Promoting college cultural activities

Students belonging to all communities

ALUMNI FEEDBACK ON INSTITUTION

Feedback from alumni is collected every year by IQAC. The process aims at

1. Ensuring alumni involvement in the development of the college.
2. To give a platform for alumni to express their opinion over the institution.

Of all the nine variables given for feedback 61% of alumni gave excellent rating to teaching faculty of the college. 57% of alumni rated high the PG/UG programmes of the college, while 35% rated excellent the non -teaching staff. But 55% of alumni rated poor the infrastructural facilities of the campus and 35% rated poor the internet facilities.

How do you rate the Programme studied at the Undergraduate or Postgraduate level?

How do you rate the Infra-structural facilities?

How do you rate the laboratory and library facilities?

Teaching Faculties

Non-Teaching Faculties

Canteen Facilities

Internet facilities

Administrative/Office procedures

Your overall rating

ACTION TAKEN REPORT 2021-2022

A detailed report of the feedback by various stakeholders was made by the feedback committee and was submitted to the IQAC. IQAC considered the report and gave a submission of the same to the office of the Principal and the college council for further analysis and necessary actions. After consideration of the feedback, the following actions were taken

1. To cope with the digital drawbacks raised in the light of online learning the college council decided to procure mobile phones to the needy from various sources including PTA and alumni.
2. Decision to make necessary steps to enable wifi/LAN accessibility in more classrooms or areas of the campus are taken.
3. Though many parents were satisfied with the online teaching methods of the college, concerns were raised by students over the loss of physical classroom learning experiences. Thus decision were taken to bring students in batch to college after government gave relaxations on pandemic restrictions.
4. Instructions are given to take classes in blended mode in order to ensure maximum student participation in a safe way.
5. Mentors are given instruction to ensure N-List membership of students to ensure uninterrupted digital learning during the pandemic time and to tackle concerns over the lack of availability of study materials.
6. Instructions are given to departments to conduct online remedial classes.
7. Decisions are taken to clean restrooms of students.
8. Instructions are given to ensure the working of facilities like pad vending machines and incinerators in the girls' restrooms.
9. Increased the band width of internet facility from 100mbps to 200 mbps in the campus.
10. Decisions are taken to estimate the maintenance of restrooms of students.
11. Instructions are given to ensure the working of pad vending machines and incinerators in the girls' restrooms.
12. Roofing of Economic-Commerce block is done.
13. Installation of fan in classrooms are done with immediate effect.
14. Window panes are refurbished.
15. Instructions to tutors regarding regular conduct of tutorials are given.
16. Tutors are instructed to ensure student usage of N-List to deal with the lack of study materials.
